Subject: Approval Letter – Coal Mill Rejects Landfill Disposal Request
Duke Energy – Marshall Steam Station
FGD Landfill
Permit No. 18-09
Catawba County
Document ID No. 5299

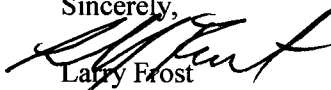

Dear Mr. Hallman:

On July 2, 2008 the Division of Waste Management received your request entitled;

- *Duke Energy – Marshall Steam Station, FGD Landfill – Solid Waste Facility Permit No. 18-09, Coal Mill Rejects Landfill Disposal Request.* Prepared by Duke Energy. Prepared for Duke Energy. Dated June 30, 2008. Document ID No. 5083.

The Division has reviewed your request for the disposal of the mill rejects in the Marshall Steam Station FGD Landfill, along with the previously approved industrial waste and coal combustion products. The Division approves Duke Energy's request to dispose of the mill rejects in accordance with your letter dated June 30, 2008. Please submit, to me at the address below, an updated Operations Plan for the FGD Landfill that reflects this and all other wastes approved for disposal. Finally, if Duke Energy is interested in utilizing this material as an Alternate Cover Material (ACM), you may contact Mr. Charles Gerstell of the Field Operations Branch at (704) 235-2144, to arrange a demonstration.

Sincerely,

Larry Frost
Regional Engineer
